---

Cessna

TEXTRON AVIATION

## BEST IN CLASS JUST GOT BETTER

Step into the reliable choice — the Cessna® Citation® CJ3®+ aircraft. With superior efficiency and light-jet performance, the CJ3+ is also the natural choice. Its cockpit features touch-screen avionics that let you fly with confidence. You can count on this jet to take your business and personal travel to new heights.

Maximum Range  
**2,040 nm**

Maximum Cruise Speed  
**416 ktas**

Maximum Passengers  
**9**

Useful Load  
**5,530 lb**

Takeoff Distance  
**3,180 ft**

# UNMATCHED ADVANTAGES

## TOUCH-SCREEN AVIONICS

NextGen-capable Garmin™ G3000™ avionics offer touch-screen capabilities for intuitive control and easy operation.

## WIRELESS CABIN MANAGEMENT

Enjoy best-in-class standard features that provide aesthetics and comfort.

## EFFICIENT ENGINES

Williams International engines deliver reliable, efficient maintenance and lower direct operating costs.

## LOWER OPERATING COSTS

The CJ3+ effectively balances high performance with low direct operating costs.

## GENEROUS BAGGAGE CAPACITY

Enjoy a 1,000-pound combined front and rear baggage capacity.

## STATE-OF-THE-ART AUTOPILOT SYSTEM

The autopilot system makes flying easy, consistent and enjoyable.

## TRAILING-LINK LANDING GEAR

The landing gear's trailing-link design provides rugged comfort and makes for soft landings and smooth taxiing.

## CITATION CJ3+ SPECIFICATIONS

### INTERIOR DIMENSIONS

Cabin Height	57 in	1.45 m
Cabin Width	58 in	1.47 m
Cabin Length	15 ft 8 in	4.78 m
Baggage Capacity	1,000 lb	454 kg

### WEIGHTS

Maximum Takeoff	13,870 lb	6,291 kg
Basic Operating	8,540 lb	3,874 kg
Useful Load	5,530 lb	2,508 kg

### MAX OCCUPANTS

10

### POWERPLANT

Manufacturer	Williams International
Model	(2) FJ44-4A
Thrust	2,820 lbf per engine

### PERFORMANCE

Takeoff Field Length (MTOW)	3,180 ft	969 m
Time to Climb	FL 450 in 27 min	
Max Cruise Speed	416 ktas	770 km/h
Max Range (Ferry, LRC)	2,040 nm	3,778 km

\* Performance data is based on standard conditions with zero wind.

Field performance assumes a level, hard-surface, dry runway.

Range is based on a ferry mission at NBAA IFR reserve (100 nm).

# LESS EFFORT MORE CONTROL

Spend less time managing the flight deck and more time enjoying the flight with the power of the Garmin G3000 avionics suite. With more space in the pilot-friendly, ergonomic cockpit, you'll fly comfortably and efficiently with intuitive touch-screen controls that keep all-important information just a glance away. Your flight deck's technology is NextGen equipped and gives you optimal awareness of all operations with minimal distraction. A fully digital dual-channel Garmin GFC™ 700 flight control system brings more than an autopilot. It ensures safety, redundancy and reliability while optimizing performance across the airspeed envelope.

The GTC 570, an all-new glass touch-screen controller, is the primary connection for the Garmin G3000 system. This icon-driven interface enables you to access more systems and sensors than ever before. Functions are easy to locate with fewer touch points, allowing you more time heads up, looking forward.

# ROOM FOR WORK AND RELAXATION

---

A quiet cabin creates a peaceful, productive environment, with natural light supplied by 14 large windows and illumination by low-power, energy-efficient LED lighting. A standard belted flushing toilet and seating for nine make the most of the Citation CJ3+ cabin space for long-range comfort.

## NEXT-GENERATION INNOVATION

Escape the world below while staying seamlessly connected to it with wireless intelligent cabin technology, designed especially for the Citation line. In-flight WiFi, moving map, flight information and cockpit audio are integrated with your own personal device for uninterrupted productivity and entertainment. A satcom phone allows connectivity even at cruising altitudes.

# STEP IN AND MAKE IT YOUR OWN

LED lighting throughout

Side-facing seat or refreshment center

Adjustable club seats

Each primary seat comes standard with an executive table

Fourteen large windows

Standard belted lavatory

## COMFORT AND PRODUCTIVITY COME STANDARD

The Citation CJ3+ offers the ultimate cabin for light-jet travel. From initial design, the seats were crafted with passenger comfort in mind. A belted lavatory comes standard, while the six cabin seats swing out for added legroom. Executive tables and armrests stow neatly out of the way when not in use. These are just a few of the details that are standard in the Citation CJ3+ cabin.

Optional Seating

Standard Seating

# TAKE COMMAND OF YOUR TRAINING

Get ready to train with the best. ProFlight™ instruction by TRU Simulation + Training offers an immersive experience for Citation CJ series aircraft pilots. Step inside state-of-the-art simulators and take advantage of online resources to keep your skills sharp all year long.

## PROFLIGHT OFFERS MORE

- The most true-to-life simulators in the industry with record, playback, demo and live ATC capabilities that make learning easy and enjoyable.
- Fifty percent more training time in Level-D, full-flight simulators and FTDs.
- One-on-one guidance from active, high-time pilot instructors with recent operational experience.
- FAA-approved online courses.
- Freedom to attend ground school from home and spend fewer days training on-site.

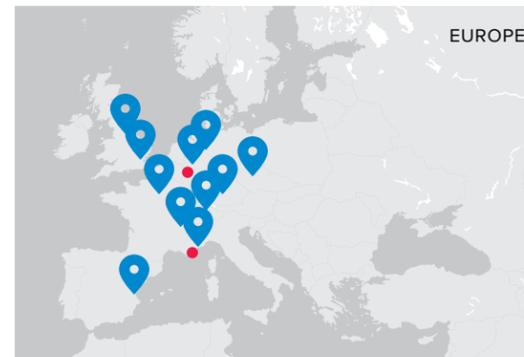

## CONVENIENT, YEAR-ROUND CURRENCY

Study on your own time, at your own pace. With TRU's Current 365™ program, you can maintain currency throughout the year, get courseware delivered right to your email, and train when and where you want.

Be the best pilot you can be. Get started at [TRUSimulation.com](http://TRUSimulation.com).

# THE WORLD'S LEADER IN AVIATION

---

We advance the market by leveraging the latest technology in our Beechcraft®, Cessna and Hawker® aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

In 90 years, we have delivered a total of more than 250,000 products, exceeding 100 million flight hours in over 143 countries. The past five years alone have seen 10 new Textron Aviation aircraft certified and delivered. We continue to lead the market with the widest-ranging offerings available to customers.

Our portfolio features Citation aircraft, the world's best-selling business jets; King Air® and Caravan® aircraft, both class-leading turboprops; and advanced piston aircraft for efficient training and transport.
