

TURBO STATIONAIR HD

VERSATILITY THAT SOARS

CESSNA TURBO STATIONAIR HD

Whether you're commuting with your family of six, loading boxes through the dual aft cargo doors, landing on a short dirt airstrip or splashing in at a remote lake on amphibious floats, the turbocharged muscle of the Cessna® Turbo Stationair® HD aircraft will get you there with the latest functionality and proven reliability.

- **Garmin™ G1000™ NXi avionics with enhanced graphics, faster hardware, new features and optional wireless connectivity**
- **Dual aft cargo doors and quick-folding seats for extra storage**
- **Depart at maximum gross weight in a little more than 1,000 feet**
- **Seatbelt airbags, a built-in oxygen system and 12-volt power allow passengers to be secure and entertained for the duration of the trip**
- **External cargo pod provides additional storage for up to 300 pounds (136kg) of payload**
